NOTICE

Legal Notice of Opportunity to Comment on the Little Pond Forest Restoration Project Environmental Assessment (EA)
USDA Forest Service, Ashley National Forest, Roosevelt-Duchesne Ranger District, Wasatch and Duchesne Counties, Utah
We have completed an EA and finding of no significant impact (FONSI) for vegetation treatments and soil and water restoration activities within a 3,086-acre project area in the vicinity of Little Pond. Vegetation treatments would include both commercial and non-commercial actions.

Details on the proposal and associated analysis can be found online at: <https://www.fs.usda.gov/project/?project=57505>.

How to Comment and Timeframe

We will accept electronic, mailed, or faxed written comments concerning this action for 30 calendar days following the publication of this notice. The publication date is the exclusive means for calculating the comment period. The regulations prohibit extending the length of the comment period.

Individuals and organizations wishing to be eligible to object the upcoming decision must meet the information requirements of 36 CFR 218 subparts A and B. It is the responsibility of persons providing comments to submit them by the close of the comment period. Only those who submit timely and specific written comments regarding the proposed project during a public comment period established by the responsible official are eligible to file an objection under 36 CFR 218.

Submit written comments to the responsible official (Susan Eickhoff, Forest Supervisor) at: 355 N. Vernal Ave., Vernal, UT 84078 or email comments to comments-intermtn-ashley@usda.gov. Please include the project name in the email subject line. Comments may also be faxed to 435-781-5142.

For objection eligibility, each individual or representative from each entity submitting timely and specific written comments regarding the proposed project must either sign the comments or verify identity upon request.
